ANTI-CORRUPTION TOOLS

[THE TRANSPARENCY INTERNATIONAL SOURCE BOOK 2000](#)

<http://www.transparency.org/sourcebook/index.html>
The first version of Transparency International's Source Book (now translated into over 20 languages) argued the case for a "National Integrity System", an holistic approach to transparency and accountability and embracing a range of accountability "pillars", democratic, judicial, media and civil society. The concept has since achieved a widespread consensus, while anti-corruption success stories remain largely elusive.
